

Announcement

The 14th General Meeting of the Jamaica Chapter of the Caribbean Academy of Sciences will be held on November 22, 2007 at 2.30 p.m. in Chemistry Lecture Theatre, C5. All members and interested persons are invited to attend.

The keynote address titled: “Open Access and Increasing Visibility for Research: Current Trends and Opportunities” will be delivered by Mrs. Swarna Bandara, Head of the Medical Science Library.

The address will be followed by a panel discussion consisting of four (4) practitioners in the field:

1. Prof. Robert Lancashire, Secretary CAS
2. Prof. Evan Duggan, Mona School of Business
3. Prof. Ronald Young, Dean, FPAS
4. Dr. Daniel Coore, Lecturer in Computer Science
